### Trails & Equipment

As of September 15<sup>th</sup>, the Club is finished working the trails for the season. The snowmobile clubs take over grooming work now.

Summertime trails were closed as of September 15<sup>th</sup> and reopened as Fall trails through November 30<sup>th</sup>. Keep in mind that FALL TRAIL season can be used by all LICENSED vehicles (cars, pickups, etc) and fire lanes are also open. Off-road motorcycles (dirt bikes) are NOT allowed on the trails at ANY TIME. Please use caution. Should you have questions regarding trail use etc., contact the Burnett County website at: [www.burnettcounty.com/ATVseasons](http://www.burnettcounty.com/ATVseasons).

The Club is now getting equipment ready for next year. We can use help! If you are interested, contact Bruce Peyton by email at: [brucedenisepeyton@gmail.com](mailto:brucedenisepeyton@gmail.com) Ron Gray by phone at 715-259-3405.

The Club is purchasing a used John Deer Tractor with a Tiger side-mount Tiger boom mower. We have put a \$10,000 deposit on this and will pick it up in either December or January.

## **New Business**

Our Club submitted a response to the Burnett County Sentinel to the 'Letter to the Editor' submitted by Mr. Ed Batton of Webb Lake regarding ATVers in Webb Lake.

The banquet for groomers and trail workers was held at Ike Walton Lodge on September 19. Fun was had by all.

The Club ride to Black River Falls was a lot of fun! Special thanks to Cheryl Gray for setting this up! The amount of water and puddles on their trails far surpassed our puddles here in Burnett County. Surprisingly only two machines got stuck!

## **Public comment/questions:**

Reminder – Deanna Thompson has volunteered to send cards throughout the year to those in the Club that are ill or just need a little 'pick me up'. If you know of a fellow club member that could use a little note of encouragement, please contact Deanna by phone at: (715) 866-4849 or by email at: [deannathompson701@gmail.com](mailto:deannathompson701@gmail.com).

The subject of signage came up –

Damaged signs – contact Ron if you see that a sign needs replacement, etc. The Club will get them replaced.

Obey speed limit signs – towns can determine speed limit on the roads.

## **Upcoming events:**

No upcoming events scheduled.

If the opportunity arises, we may try to do a fall ride to view the colors. If that happens, an email will be sent to all members.

## **Miscellaneous:**

**A special THANK YOU to Hap's Landing for donating the food for the meeting!**

39 people signed in for the September meeting.

The next Turf and Tundra ATV Club Meeting will be in April 2020. A reminder email along with the 2020 meeting schedule will be sent out in the early Spring.

**Wishing you all a very healthy and happy winter! It was a great season – see you in the Spring!**
